

I GOT WHAT ON THAT LAST TEST???? CAN I FIX IT ?!!

Test Correction Policy for MRC's Class

1. Discuss the exam in class with the instructor if time allows
2. Take your exam and rewrite all of the test items you got wrong on a separate piece of paper as they appear on the exam.
3. Replace the incorrect answer with the correct answer.
4. **Submit Exam corrections attached to the front of the original exam to MRC within 1 week of the end of the quarter.**
5. Points reclaimed will be extra credit and figured into the 9 week progress report or the 18 week semester grade (see rules regarding extra credit from the day one handout).

Point reclamation may be as follows:

If you earned	80-100%	<u>up to</u> 5 points extra credit
	60-79%	<u>up to</u> 10 points extra credit
	40-59%	<u>up to</u> 15 points extra credit
	10-40%	<u>up to</u> 20 points extra credit

Typing the corrections will increase your extra credit by 5(FIVE) points.

EXAMPLES...

- Charlie earned a 52% on ch5 exam. He redid all the ones he got wrong and typed it. (15 pts ec)
- Deanna earned a 68% on the same exam and redid all the ones she got wrong AND the ones she got right PLUS typed it. (20 pts ec)
- Stan earned a 40% on that exam and only turned in the correct ANSWERS without the questions. (0 pts ec)
